

LOCAL AUTHOR BOOK FESTIVAL2015

SUNDAY, APRIL 12
**1 - 3 p.m. Tsakopoulos
Library Galleria**

MEET LOCAL AUTHORS

Join the Sacramento Public Library and 40 local authors at the Library's first Local Author Book Festival.

Visitors will be able to meet Sacramento area writers and purchase their books. Several authors will also give short presentations about their work.

The authors, chosen by a library selection committee, represent a wide range of genres, styles and ages. Participation was limited to authors living in the Sacramento region who have published a book within the last two years.
